

Christmas Giving List 2010

Feed a Child for One Month

For many of the 7300 children in Starfish Ministries' schools, the food they receive from our feeding program may be the only food they eat all day.

One Child/One Month: \$3

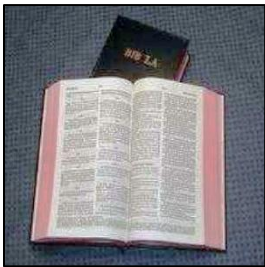

Goats

Goats provide families with a sustainable source of meat and dairy products. If you choose to give a goat, we will make certain it goes to one of the neediest Haitian families in our ministry area.

Goat: \$35

Bibles and Christian Songbooks

Starfish likes to provide the orphanage children and new Christians with French Bibles and Christian songbooks as they seek to grow in their faith.

Bible: \$10

Christian Songbook: \$15

Drill a Well

Most villages where Starfish Ministries is currently involved do not have access to clean water. The vision of Starfish is to drill a well in each village where sponsored children attend school.

One Share of a Well: \$100

Complete Well: \$3000

School Supplies

Some of the children in Starfish schools cannot afford basic school supplies. Your gift will enable Starfish to provide supplies to unsponsored students and further empower them as they pursue a valuable education.

School Supplies: \$10

Guitars

Many of the children in the orphanage and schools are already participating in music ministry and many more children desire to learn to play an instrument. Guitars have been favorites of the children.

New Guitar Strings: \$5

Guitar: \$100

Sandals and Shoes

Each year Starfish Ministries provides a new pair of athletic shoes for each of our orphanage children. With the rough terrain on which they play, their sandals and flip-flops don't last very long, so we replace them two or three times a year.

Sandals: \$2

Shoes: \$15

Soccer Balls

Children in Haiti love soccer! It is one of their favorite things to play. The orphanage kids are always ready for a game with a neighboring village . . . if a soccer ball is available.

Soccer Ball: \$10
